Customer Reviews

USED TO THE LARGE AND HEAVY PDR THAT SEEMS TO GET LARGER EACH YEAR, THIS HANDY POCKET ADDITION IS ALWAYS AVAILABLE WITHOUT HEADING TO THE BOOK SHELF.

I liked the book and it is helpful to me in treating patients and prescribing the right drug dose and can check different drugs I can use for a specific disease condition safely

I'm a nurse and there are many time when I cannot spell a drug or need to help a patient figuere out what medication they are on. I just keep this little book around and it is very helpful.

I bought 2 of them, one for me and one for my NP school teacher, who happened to be old school and she doesn't want to buy the electronic book such as epocrates and such. She likes it

I keep this in my desk for instant reference. It is a time saver. If I need more detailI can go online. It has most of the most commonly prescribed drugs.
