Customer Reviews

1. The delivery of this book was incredibly quick! I was stuck in quite a bind, needing it for a college class on Tuesday and accidentally had waited until the Friday before to order it. Amazing it shipped on Tuesday morning and got to my campus in perfect shape, exactly 2 hours before my class. It couldn't have been better timing!

2. The book is beautiful (has that wonderful smell of new-ness) and a great collection of information, that has sparked a new interest in my for 'literatura de las indigenas.' So far I have only tackled the first chapter, concerning the Mayas, Incas and Aztecas - which had encompassed a diverse interesting collection of poetry, prose and sacred material- and I can't wait to read more. Thank you! Highly recommended!
