Amy Lowell, American Modern

Synopsis

For decades, the work of one of America's most influential poets, 1925 Pulitzer Prize winner Amy Lowell (1874–1925), has been largely overlooked. This vigorous, courageous poet gave voice to an erotic, thoroughly American sensibility. Cigar-smoker, Boston Brahmin, lesbian, impresario, entrepreneur, and prolific poet, Lowell heralded the rush of an American poetic flowering. A best-selling poet as well as a wildly popular lecturer (autograph-seeking fans were sometimes so boisterous that she required a police escort), she was a respected authority on modern poetry, forging the path that led to the works of Allen Ginsberg, May Sarton, Sylvia Plath, and beyond. Yet, since her death, her work has suffered critical neglect. This volume presents an essential revaluation of Lowell, and builds a solid critical basis for evaluating her poetry, criticism, politics, and influence. Essays explore the varied contributions of Lowell as a woman poet, a modernist, and a significant force of the literary debates of early twentieth-century poetics. In addition to placing Lowell in her proper historical context, contributors demonstrate her centrality to current critical and theoretical discussions: feminist, gay and lesbian, and postcolonial, in as well as in disability, American, and cultural studies. The book includes a transatlantic group of literary critics and scholars. *Amy Lowell, American Modern* offers the most sustained examination of Lowell to date. It returns her to conversation and to literary history where she belongs.

Customer Reviews

This charming collection of essays will do a great deal to inspire readers to turn the pages of Amy

Lowell with a deeper understanding of her words. Today, the spirit of Amy Lowell's poetry resides in these essays. This collection explores the work of one of America's most influential poets, 1925 Pulitzer Prize-winner Amy Lowell (1874-1925). A cigar-smoker, Boston Brahmin, lesbian, impresario, entrepreneur, wildly popular lecturer, and best-selling poet. A respected authority on modern poetry, she forged the path that led to the works of the famous Allen Ginsberg, May Sarton, Sylvia Plath, and beyond. To date, this book provides a thorough examination of this prolific poet. Amy Lowell, American Modern should be read to discover more about one of America's most influential poets.

Very disappointed, I wanted this to focus more on her poetry
