Customer Reviews

This book is fantastic for the individuals who are fascinating in including the acts of one the most established religions into their every day schedule. It begins with a brief account about the life of Buddha and it proceeds with the crucial lessons of this religion lastly it discusses the practice and advantages of contemplation and how to perform it accurately.

This book will help you understand and learn more about Buddhism. You will be able to know how it will help your mind to have the inner peace and stress free. Buddhism is a philosophy, some refer to it as a religion, or a faith, that comprises of numerous beliefs, spiritual practices and traditions based primarily on the teachings of Gautama Buddha.

I was looking for a book that outlined the general understanding of Buddhism. This book delivers on teach us ways to incorporate this philosophy into our daily lives. I learned quite a bit about the different concepts and understandings that Buddhism permits. I will be practicing and following the path of Buddhism for the happiness and peace of mind. Recommended.

Buddhism is a philosophy, or rather a religion, that comprises of numerous beliefs, spiritual practices and traditions based primarily on the teachings of Gautama Buddha. This book digs deep into the origin and teaching of Buddhism. Read this book to learn more about Buddhism. It will certainly help you understand that you need to be aware of the present moment and live in it instead of dwelling in the past regrets or future concerns for living a happy life.

A great guide for beginners and a refreshment for an intermediate. The book mostly covered the basics and I want more about the core of Buddhism. The book is a great foundation of the people who have zero knowledge on the topic.

I didn't understand anything about Buddhism but this book offer's a good explanation of the teaching. It opens the door to explore more and I have a new found respect for the people who follow this path of life.

Its a descriptive book taking the good attention on the respective aspects of the Buddhism Practice, I have realized that we can gain from this practice if we do not take it as a religious practice but a meditation Practices for Improving your Health, weight and sleep related. The book unveils the ways of improving our psychological status that will improve our social relationships.

This book is everything you need in order to get familiar with Buddhism and start practicing it. I am really delighted by this book because I recently got interested in Buddhism and I wanted to learn more about it. I got this book recommended by a friend of mine who is very into Buddhism. I definitely recommend it to everybody because you will learn so many useful things that you can practice in life even though you are not into Buddhism!
