Customer Reviews

Good quality and easy to understand. I purchased for my friend. She said this is really a good book for the beginners who just come to the U.S. I think I need to borrow this book from her to improve my grammar.

I bought this book for my wife for her English classes and it was a required book. She loved the book and she did well in the class. She uses it now as a reference book to review her classwork.

I purchased this book to help a refugee with English grammar. It is a slow process, but the book has definitely helped.
